

Wethersfield Library

In response to the evolving public health situation and after consulting with town officials and the Central Connecticut Health District (CCHD) the decision has been made to close the Wethersfield Library from Monday March 16th through Sunday March 29th. Fines will not accrue and items do not need to be returned during this time. We will continue to evaluate the situation and keep the public informed when library services may resume. It is our hope to re-open on Monday March 30th. The Library Board meeting for March 24th has been cancelled.

Staff will be available to assist patrons during this time Monday–Friday between 10:00 am–5:00 pm by phone 860-529-2665 or email library@wethersfieldlibrary.org. Some of our resources are available online at www.wethersfieldlibrary.org.

We want to thank all Wethersfield residents for their understanding in this matter and look forward to resuming operation as soon as it is appropriate to do so.

Sincerely,

Brook Berry

Library Director
Wethersfield Library
