(Tune: London Bridges)  
My hands are starting to wiggle,

(feet, hips, head, now all of me is a wiggle)

## **Walked Along**

I walked along the sidewalk one day  
And saw a car across the way  
What do you think I heard it say?  
Vroom, vroom, vroom  
I walked along and looked up high  
and saw Plane up in the sky  
and what was the sound as it went on by:  
Woosh, woosh, woosh  
Boat in the bay: toot, toot. Toot  
Bus: beep, beep, beep  
Train: choo, choo, choo

## **City is Great**

(tune: Hokey Pokey)

Oh the city is great

Oh the city is grand

There's a whole lot of people

On a little piece of land

And we live way up on the 57<sup>th</sup> floor

And this is what we do when we go out the door

Take the elevator up, take the elevator down

Take the elevator up, take the elevator down

Take the elevator up, take the elevator down

And we turn around

## **Here is the Beehive**

Here is the beehive

But where are the bees?

Hidden away, where nobody sees

Watch and you'll see them

Come out of their hive

1, 2, 3, 4, 5 BUZZZZ

## **Hippopotamus Got on a City Bus**

A hip, a hip, a hippopotamus

Got on, got on, got on a city bus

And all, and all, and all the people cried

"You're squishing us!"

\*cow: "Moove over"

\*sheep: Baaaack up

## **See the Ponies**

See the ponies walking, walking

Down the country road

(repeat)

\*trotting, trotting

\*galloping, galloping

\*now see the ponies coming home all tired out, all tired out, all tired out.

I'm sitting in a boat and the boat is rocking, rocking, rocking  
I'm sitting in a boat and the boat is rocking, rocking, rocking  
I'm sitting in a boat and the waves are oh so high, oh so high in the morning  
Oh, oh, oh.
