## Oh What a Move!

Join authors Michael Copeland and Howard Greenblatt as they moderate a panel discussion featuring several basketball greats profiled in their book: *Oh What a Move! Profiles of Hartford Basketball Players 1954-1984*. The book chronicles the three-decade era during which Hartford's high-school basketball teams won again and again. As fierce athletic rivalries developed, Hartford basketball players built an enduring legacy that would have an impact on the sport at the national level.
