## **Royal Duke of York**

Oh, the royal duke of York he had ten thousand men.  
He marched them up the mountaintop and marched them down again.  
Oh, when you're up, you're up and when you're down, you're down  
And when you're only halfway up, you're neither up, no down!  
He rolled them to the left, he rolled them to the right  
He rolled them over upside down  
Oh what a silly sight!
